ORBIT INTERNATIONAL'S POWER UNIT SEGMENT
RECEIVES \$250,000 ORDER FROM U.S. NAVY
IN SUPPORT OF FLIR SYSTEM ON F/A-18 HORNET

Additional \$250,000 Order Expected Within Thirty Days

Hauppauge, New York, June 10, 2003—Orbit International Corp. (NASDAQ:ORBT) today announced that its Power Unit Segment, Behlman Electronics, Inc., has received a \$250,000 order from the United States Navy for Roll Resolvers used on the F/A-18 FLIR (Forward Looking Infrared Radar) System. The order includes an option to purchase an additional \$250,000 Roll Resolvers that the Company expects the U.S. Navy to exercise within thirty days. Deliveries under this contract are expected in the first and second quarters of 2004.

Dennis Sunshine, President and CEO of Orbit, commented, "Behlman continues to receive new orders because of its success in reverse engineering old components for United States Navy Aircraft. In addition, Behlman has also supplied a Roll Resolver and two other power modules directly to the U.S Navy in support of the F/A-18 FLIR System. Total awards to our Company in the last twenty-four months have exceeded \$5 million on this program. Behlman continues to be an excellent source of supply to the U.S. Navy and we are encouraged by the business potential related to our participation in this program."

Orbit International Corp., based in Hauppauge, New York, is involved in the manufacture of customized electronic components and subsystems for military and nonmilitary government applications. Its Behlman Electronics, Inc. subsidiary manufactures and sells high quality commercial power units, AC power sources, frequency converters, inverters, uninterruptible power supplies and associated analytical equipment. The Behlman custom division designs, manufactures and sells power units and electronic products for military and high-end industrial usage. For a more detailed discussion of the risks inherent in the Company's business the reader is referred to the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2002.

This press release contains forward-looking statements, within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including the expected delivery dates of new orders, the expectation of the option award within thirty days and the potential for future orders for Behlman's products and the potential of future business related to Behlman's participation in the F/A-18 program. These forward-looking statements involve known and unknown risks, uncertainties and other factors that could cause the actual future results of the Company to be materially different from such forward looking statements. Factors that might result in such differences include, without limitation, the current economic climate and military

conflicts, variable market conditions and changing needs of the defense sector and the Company's customers. The forward-looking statements contained in this press release speak only as of the date hereof. The forward-looking statements contained herein are also subject generally to other risks and uncertainties that are described from time to time in the Company's reports and registration statements filed with the Securities and Exchange Commission.
