Behlman Appoints Eric Pierce to Central Regional Sales Manager

Power supply manufacturer committed to increasing both sales and service in thirteen Central states.

Hauppauge, New York, January 16, 2012— Behlman Electronics Inc., known for its leadership in providing power products for industrial, commercial and military applications, has announced the hiring of Eric Pierce to head up Behlman's Central Region office, located in Flower Mound, Texas.

Mr. Pierce will be responsible for serving the needs of power product customers throughout Arkansas, Illinois, Iowa, Kansas, Louisiana, Minnesota, Missouri, Nebraska, North Dakota, Oklahoma, South Dakota, Texas and Wisconsin

He will supervise and work closely with Behlman's existing representative firms in Arkansas, Louisiana, Minnesota, North Dakota, Oklahoma, South Dakota, and Texas, and will also search for manufacturer's representatives to call on power products customers in his six other states.

Mr. Pierce comes to Behlman with more than twenty-five years of experience and expertise in the electronics industry, including positions as Senior Sales Executive, Sales Engineer and Regional Sales Manager for such companies as Huntron,(known for providing the equipment engineers use to test, diagnose and troubleshoot printed circuit assemblies), and Diagnosys Systems,(known for its automatic test equipment and services for the support and maintenance of high-value electronic equipment). During his career, Mr. Pierce has been responsible for everything from sales and service to training and product support, in both civilian and military sectors.

"With his diverse background and long experience with a wide range of electronic products and systems, Eric will be able to provide Behlman customers with the highest level of personal service from day one." said Ron Storm, Behlman Electronics' VP of Sales and Marketing. *"In addition, by growing our network of manufacturer's representatives, Eric will ensure that every customer in the Central Region has a nearby Behlman resource to call whenever they need assistance."*

Mr. Pierce reports directly to Ron Storm.

Behlman Electronics Inc., (www.behlman.com), a subsidiary of Orbit International Corp., manufactures and sells high quality standard, modified standard, custom and COTS power solutions, including AC power supplies, frequency converters, inverters, DC-DC, AC-DC, DC-AC, and uninterruptible power supplies.
